GENERAL INSTRUCTIONS OF THE ROMAN MISSAL:

Chapter 2 – The Structure of the Mass, Its Elements and Its Parts

SILENCE — Paragraph 45

Sacred silence also, as part of the celebration, is to be observed at the designated times.* Its nature, however, depends on the moment when it occurs in the different parts of the celebration. For in the Penitential Act and again after the invitation to pray, individuals recollect themselves; whereas after a reading or after the Homily, all meditate briefly on what they have heard; then after Communion, they praise God in their hearts and pray to him.

Even before the celebration itself, it is a praiseworthy practice for silence to be observed in the church, in the sacristy, in the vesting room, and in adjacent areas, so that all may dispose themselves to carry out the sacred celebration in a devout and fitting manner.

* Cf. Second Ecumenical Council of the Vatican, Constitution on the Sacred Liturgy, *Sacrosanctum Concilium*, no 30.

FIRST HOLY COMMUNIONS: Parents/Guardians who have children wishing to make their First Holy Communion are requested to contact Canon David and/or the Parish Office **not later than the end of January** in order that we can set out a programme.
