Second Collection Next Weekend - St George's Cathedral

For over half a century, St George's Cathedral has been the Mother Church of the Archdiocese of Southwark, home to 175 parishes and over 50,000 Roman Catholics. For many Catholics living and working across London and the South East of England, St George's has been a beacon of light.

St George's Cathedral is entirely reliant upon the generosity of its parishioners, volunteers and the Archdiocese of Southwark to keep its doors open. It does not receive Vatican or government funding, nor has an endowment to rely on. Your support can enable the Cathedral to remain open daily to those seeking a place of peace, prayer and worship.

For details of how you can donate please see the poster on the noticeboard
