Be Who God Meant You to Be

All Saints' Day reminds us that holiness is not reserved for a few extraordinary people. It is God's invitation to each of us to become the person He created us to be.

The saints came from different backgrounds and had different gifts, personalities and experiences. Yet they shared one love: Jesus Christ. St Francis of Assisi, St Thomas Aquinas and St Teresa of Calcutta show us that holiness can flourish in many different ways.

Like a pumpkin transformed into a lantern, we too can become bearers of God's light when we allow Him to cleanse our hearts, overcome our weaknesses and fill us with His Holy Spirit. Every act of kindness, forgiveness, generosity and compassion allows Christ's light to shine through us.

As St Catherine of Siena reminds us, "Be who God meant you to be and you will set the world on fire."

This All Saints' Day, let us ask for the grace to live holy lives and become lights of Christ's love in our families, parish and world.
